What a fantastic Term we have had! It has been busy, fun, exciting and full of great learning experiences!

Woodwork

This term we have been involved in creating a woodwork project of either a car or a train. During these sessions the students have cut their own pieces of wood using saws, drilled holes in their blocks of wood, measured and cut pieces of dowel, sanded each piece and are now looking forward to putting the final pieces together and painting their finished product.

Chickens

The children have adored watching ten precious chicks emerge from the eggs that arrived just last week. They have all had the opportunity to hold the chicks and observe the changes in them already.
**Bubbles**

We also had the amazing Captain Sparkles come to visit with a truck load of bubbles for us to play with. Here are a few things the children had to say about the day:

**Miley** - We used a humungous wand and they made humungous bubbles. I made a big bubble and it was very cool.

**Skylar** - Captain Sparkles put us in a circle then pulled the bubble up over us.

**Taitimu** - Today was so awesome. We got to play with bubble wands and the smiley face which made a sausage wand.

**Tristan** - I went in a bubble with Koko and Grace. It was fun!

**Krishna** - The coolest part was when we got in the bubble.

**Kokoda** - We made cool bubbles and we hopped in the bubble. We made the biggest bubbles and we made hand bubbles.
