VIKING SHIELDS

A big thank you to K Carter (father of Indi) for the huge effort put in to ensure the Class 4s’ Viking Shields were completed before the end of term. Last year, there were 12 class 4 shields, this year there are 24! They are on display in our room and are truly magnificent. Please come in and take a look if you haven't already done so. We will be using them in both our whole school Production item (on October 26) and our class Play later this term. Many children are keen to take them home, so they will be able to do that after our play.

The back wall of our room looks amazing with Viking shields and Viking boat paintings.
**Spring Festival**

Lady Spring didn’t disappoint last Thursday when she came out in all her glory to help us celebrate Spring. Thank you to the many parents who helped with the preparations and to all of you who were able to come along and see the children perform their songs and dances. Such a beautiful event!

**Animal Sculpture**

The limestone animals have finally been sent home after several weeks of careful sculpting. Lee has provided instructions for sealing the sculpture if your child would like their new friend to live indoors. Again, the children did wonderful work and many showed great resilience when their ‘elephant’ all of a sudden needed to change into a wombat, polar bear, rhinoceros or other animal after the trunk was accidentally chiseled off! Thank you so much to Lee (Ethan’s mum) for her creativity and inspiration. Many thanks also to Marjie (Ethan’s grandmother) for the initial impulse and sharing of skills.
Other Items...

Production. Children need to wear **black or brown leggings or tights** with a **black or brown long sleeved top**. Costumes are being sewn this Thursday in the library if you are able to help out this would be greatly appreciated.

Please remember how important our children’s **safety** is when considering posting pictures of minors on the internet, including social media. Please be vigilant regarding the posting of photos of other people’s children. Many parents do not give permission for photos of their children to be circulated publicly in any form and strongly oppose sharing images on the web.

Love and light to you all,

Lizzy, Amy and Kim
