

# Class 3S

## Term 3 Newsletter

**March 6, 2017**

Dear Families, love and best wishes to everyone. We all feel sadness at the loss of our dear classmate Joshua. Joshua loved his school friends and he loved animals and nature. Our children love and respect Joshua and as part of our remembrance of our special friend we will be creating a butterfly mosaic which will have a special and permanent place in our school and especially our hearts. A lovely lady will come and work with us on this project.

---

### *English Main Lesson*

*Class 3 have been enjoying the Hebrew Creation Stories, their writing and illustrations have been fabulous.*

### *Farming main Lesson*

*The children will be literally working from the ground up, starting with compost and the planting of seeds.*

*Special thanks to Andrew who painted our room so well. We really appreciate his very good work.*

### **Weekend diaries**

*We have started our own writing books so that we can make a diary of our fun filled weekends.*

***Class 3 Story Book Writing; everyone is really excited about writing and illustrating their own creative works.***

---

14<sup>th</sup>***

***Class 3 excursion***

***Environment Week  
at the Briars.***

***Monday March***

***20<sup>th</sup>***

***Harmony Day***

***March 17th***

**Summer Festival**

Summer Festival was a fun filled afternoon with the summer dragon flags flying in the breeze. The children had spent weeks rehearsing and preparing for the day, they sang the whole school summer song “The sun is in my heart” beautifully and proudly waved their ribbon sticks. Everyone really enjoyed the games. The highlight was the “tug of war” where the children beat the parents to a contest of strength, much to everyone’s delight.
