 Principal: Bev Dadds. Assistant Principal: Kath Lord

Through a sense of connectedness to peers, teachers and the community, Mornington Park Primary School provides a safe and harmonious learning environment which nurtures the whole child in a changing world.

Honesty, Perseverance, Cooperation, Kindness, Responsibility.

## CONTACT 2018

the Principal Issue 2 Date: 9th Feb

Thank you to all parents who made it to our information evenings. The feedback from parents has been very positive. Remember we will be having these evenings every term so we can keep you informed of the curriculum your child will be learning. Great chance to have things clarified as well.

We also for getting your children to school and on time. Teachers are required to mark the role books and your assistance has been really appreciated.

Please remind us to keep the children safe by driving extra slowly and holding your child's hand until they get inside the school gates. Especially important now that our Preppie's have started.

Parenting is welcome to join the fundraising committee whether you are on School Council or not. Please come along and help our fundraising and helping hands as we work together to raise funds that benefit the children. We would love to see some of you at school on special days, there are always things that can be done in the school. PLEASE CONSIDER. The next meeting is at 9.00am in the staffroom on the 6th March.

12th Feb	Assembly-Leadership badges will be presented. Selected students at RPPFM
9th Feb	Summer Festival
13th Feb	Marketing meeting @ 5.30pm School Council @ 6.15pm
27th Feb	School Swimming carnival @ 9.30am Mornington Secondary

## ents

time of the year that we gently assess the children so we can target work to their needs. Every class teacher and myself, have been completing various assessments that will help us to:

- cover each child's learning potential
- deal how they learn and process information
- find out if there are specific learning difficulties
- identify specific learning strategies and types of support that may be beneficial
- help the most children to gain insight into their own learning ability
- enable informed decisions about their education

## emony

Every morning at our assembly, we will be presenting leadership badges to our students. Already the leaders are aware of the things that they have lifted to the level required. They are taking their role very seriously and performing really well.

## anking

Regular student banking is every Tuesday. Children do receive prizes for regular banking. A great incentive to save!

## ner

Thank you to parents, teachers, support staff, volunteers and of course our wonderful students for making the year so successful. The students have been busy meeting new friends, learning new topics and gearing up for the summer. I hope everyone enjoys our Summer Festival tonight.

The school uniform brings the children together and allows them to show pride in their school. If for any reason you have a uniform, can you please contact us and we can assist. Don't forget that terms 1 and 4 are hat wearing terms. All children must have a hat to play in the playground.

## nders

Some of our student leaders will write a short article about their role and give tips and information for the year. We have articles from our school captains as well as Community and ICT leaders. Enjoy! We are looking for parents and students, new and old to MPPS 2018. We are Lachlan, Izumi, Anna and Matthew and we are looking for more!

There are going to be a lot of new and exciting events and opportunities. Here are some things for this term: a school assembly, token shop, Corowa Court visits and a focus on cleaning up rubbish. We are also looking for suggestions that will help make the school a better place. Some examples might be: icy poles for the canteen, more trees around the school. If you have an idea, please write it on a piece of paper, preferably with your name, and put it in the suggestion box. Hope to see some great ideas!

**Izumi 6S, Anna, Matthew 5-6M**

Hi everyone, my name is Elliese and together with Will, I am the Community and SWPBS leader. I will make sure that the school is a safe and happy place for everyone. To get tokens from your teacher, you need to be seen following our school values of Kindness, Respect, Cooperation and Responsibility. Every Friday the shop will be open for you to come and purchase some tokens. Please come and see me if you have any questions.

Hi everyone, I'm Izzy and I'm the ICT leader. Please don't forget to hand in your ICT agreement forms if you have not done so. If you won't be able to use a computer at school. Also, I need to clarify some rules for ICT equipment so everyone can use it safely.

- Don't use ICT equipment while using computers
- Don't talk around with ICT equipment unless you have to
- Don't use ICT equipment if your hands are clean
- Don't be cyberbully
