VISION : Through a sense of connectedness to peers, teachers and the community, Mornington Park Primary School provides a safe and harmonious learning environment which nurtures the whole child for success in a changing world.

VALUES: Honesty, Perseverance, Cooperation, Kindness, Responsibility.

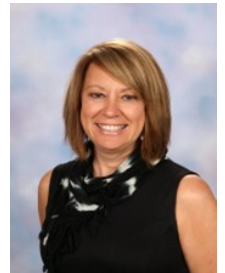

CONTACT 2018

From the Principal Issue 10

Date: 20th April

Welcome back for Term 2

The children have all settled beautifully into the rhythm of Term 2. Teachers have been working hard over the holidays preparing and planning for the children. We have a very busy time ahead with the calendar looking quite full. I have added a few more events to the calendar so you may like to replace the old one, if you have it on the fridge.

This week, some members from both Rotary and Bendigo Bank, worked with our school leaders to plant some gorgeous pear trees and other shrubs as we continually work to improve the front of the school. We would like to thank them very much. The Manchurian Pears make the front look very welcoming and stylish indeed.

Class Information Sessions

Class information sessions are a chance to find out what your child is learning so that you can support them if necessary. Demonstrating to your child that you really value their learning and building a positive relationship with the teacher, is crucial for developing engaged and motivated children. I urge you to come along and participate.

Class Carers

Some Class Carers have sent home a note this week asking for emails addresses and providing information for you to join our communication system Flexi Buzz. Please take the time to read and respond to the request for a contact email. Notifications and reminders will be sent to you via an email or through Flexi Buzz.

FREE

We have a very clean single bed mattress if anybody needs one?? Please contact the office if you are interested or if you know anybody in the community who may be interested.
