Student Leaders

On Wednesday after school, our second student leaders conference took place. I am truly amazed **by the understanding and commitment this year's group has to their roles and responsibilities.** They shared incredible insight into the way we could improve the student leader roles as we go forward. In the final weeks of this term, they will have new leaders for next year, shadowing them.

The qualities of a great leader that they identified are: confidence, encouraging, responsible, committed, organized, friendly, able to work as a team, compromising, approachable, passionate, patient and most of all you need to know and model our school values as well as believing that everybody is equal. They talked about overcoming any challenges with persistence and perseverance; always giving everything a go.

I know that all of the leadership children will be well equipped for Secondary College and will surely be targeted for leadership roles.

Future Star

Over the school holidays my family and I travelled to Perth, WA to compete at the Australian Wrestling Championships. At the championships there were two types of wrestling; Freestyle and Greco-Roman, both are Olympic sports. I wrestled in the Freestyle division for 10/11 year olds and placed 3rd overall and got a Bronze medal! I one day hope to represent Australia in **wrestling**.

Australia Post breakfast

Once again we were spoilt with a delicious breakfast provided by Australia Post. Bacon and egg rolls, milk, fruit and a celebrity netballer made for an enjoyable morning. The children played games with Kate and asked her some very sensible questions.

This morning was also a chance to thank Australia Post for giving us 75 laptop computers for the students to use. We are most grateful for their ongoing support .
